- historical analytics;
- cloud synchronisation (when available);
- additional productivity tools;
- future Premium features introduced by Wingman.

Premium features may change over time as the App evolves.

---

## 3. Billing

Subscriptions are processed entirely by Apple through the App Store.

Wingman does not collect or store your payment card information.

Pricing is displayed before purchase and may vary by country or currency.

---

## 4. Automatic Renewal

Unless cancelled through your Apple ID subscription settings, subscriptions automatically renew at the end of each billing period.

Apple controls all billing and renewal processes.

---

## **5. Cancellation**

You may cancel your subscription at any time through your Apple Account settings.

Cancellation prevents future renewals but does not refund the current billing period unless required by applicable law or Apple's policies.

---

## **6. Refunds**

Refund requests are handled by Apple in accordance with Apple's refund policies.

Wingman cannot issue refunds for purchases processed through the App Store.

---

## **7. Changes to Premium Features**

We may add, improve, remove or modify Premium features from time to time.

While we aim to maintain and improve Wingman Premium, we do not guarantee that any particular feature will remain available indefinitely.

## **8. Availability**

Premium services may occasionally be unavailable due to maintenance, software updates, third-party outages or technical issues.

We do not guarantee uninterrupted availability.

---

We reserve the right to suspend or terminate Premium services where reasonably necessary, including for misuse of the App or breaches of the Terms of Service.
