1. Acceptance of these Terms

Welcome to Wingman.

These Terms of Service ("Terms") govern your access to and use of the Wingman mobile application ("Wingman", "the App"), including any related services, features, content and updates provided by the developer ("we", "our", or "us").

By downloading, installing, accessing or using Wingman, you agree to be bound by these Terms. If you do not agree to these Terms, you must not use the App.

If you purchase a Premium subscription through the Apple App Store, your purchase is also subject to Apple's applicable terms and conditions.

2. About Wingman

Wingman is an independent roster management application designed to assist airline crew members in organising and interpreting roster information.

Wingman may include features such as:

- importing roster information;
- displaying duties, flights and events;
- calculating estimated pay, duty times and statistics;
- maintaining historical roster information;
- providing scheduling tools and productivity features;
- optional cloud synchronisation in future versions.

Wingman is an independent software product.

Wingman is **not** operated by, affiliated with, endorsed by or sponsored by any airline, airport, aviation authority or employer unless expressly stated.

3. Informational Use Only

Wingman is provided solely as an informational and productivity tool.

The App is **not** an operational flight planning system, dispatch system, safety system, fatigue management system, regulatory compliance system or official airline application.

Information displayed by Wingman may contain errors, omissions, inaccuracies or delays.

The official roster, notices, company systems and operational documentation provided by your employer remain the sole authoritative source of operational information.

You are solely responsible for verifying all operational, scheduling, duty, leave, training, pay and employment information before relying upon it.

4. No Professional or Operational Advice

Nothing within Wingman constitutes:

- operational advice;
- aviation safety advice;
- legal advice;
- employment advice;
- payroll advice; or
- regulatory compliance advice.

Any calculations, summaries, statistics or estimates generated by the App are provided for convenience only.

5. User Responsibilities

You agree that you will:

- verify important information against official company systems;
- maintain the security of your device;
- use the App lawfully;
- report suspected bugs that could materially affect calculations or roster interpretation;
- ensure any information you import into the App is lawfully obtained.

You acknowledge that you remain solely responsible for all operational decisions, employment decisions and regulatory obligations.

6. Accuracy of Information

While we aim to provide accurate software and continuously improve Wingman, we do not guarantee that:

- imported roster information will always parse correctly;
- calculations will always be accurate;
- airline roster formats will remain compatible;
- data will always be complete;
- the App will be free from defects or interruptions.

Future airline system changes may temporarily affect functionality until an update is released.

7. Future Cloud Services

Current versions of Wingman may store information solely on your device.

Future versions may offer optional cloud services including synchronisation and backup.

Where cloud services become available:

- participation will be optional unless otherwise stated;
 - additional Privacy Policy provisions may apply;
 - reasonable efforts will be made to protect stored information;
 - uninterrupted availability cannot be guaranteed.
-

8. Premium Subscription

Certain features may require a paid Premium subscription.

Subscriptions are managed through Apple's App Store.

Subscription pricing, billing, renewals and cancellations are governed by Apple.

Premium features may change over time as the App evolves.

9. Intellectual Property

We may release updates, bug fixes and new features from time to time.

Some updates may be required for continued functionality.

We are under no obligation to maintain compatibility with outdated operating systems or unsupported devices.

12. Limitation of Liability

To the maximum extent permitted by applicable law, Wingman is provided "as is" and "as available", without warranties of any kind, whether express or implied.

Nothing in these Terms excludes, restricts or modifies any rights or remedies that cannot lawfully be excluded under applicable consumer protection laws, including the Australian Consumer Law.

Subject to those non-excludable rights, we are not liable for any direct, indirect, incidental, consequential, special or exemplary loss or damage arising from or relating to:

- reliance on information displayed by the App;
- incorrect roster interpretation;
- incorrect calculations;
- missed duties or schedule changes;
- payroll discrepancies;
- operational decisions;
- data loss;
- interruptions of service;
- software defects; or

Where liability cannot legally be excluded, it is limited to the greatest extent permitted by law.

13. Indemnity

You agree to indemnify and hold harmless the developer of Wingman from claims, losses, liabilities, damages and expenses arising from your misuse of the App or your breach of these Terms, to the extent permitted by law.

14. Termination

We may suspend or terminate access to the App or Premium services where reasonably necessary, including where these Terms are breached or where continued operation is impractical.

Termination does not affect any rights or obligations accrued before termination.

15. Changes to these Terms

These Terms may be updated from time to time.

Where required by law, significant changes will be communicated through the App or another appropriate method.

Continued use of Wingman after changes take effect constitutes acceptance of the updated Terms.

16. Governing Law
